2009 SUMMARY OF BENEFITS

Section 1 - Introduction

Thank you for your interest in Community Health Partnership, A Program of Partnership Health Plan, Inc. (Community Health Partnership). Our plan is offered by Partnership Health Plan, Inc., a Medicare Advantage Health Maintenance Organization (HMO) Special Needs Plan. This plan is designed for people who meet specific enrollment criteria. This includes anyone who receives Wisconsin Medicaid (Medical Assistance) and/or Medicare.

All cost sharing in this summary of benefits is based on your level of Medicaid eligibility. Please call Community Health Partnership to find out if you are eligible to join. Our number is listed at the beginning of this introduction.

This Summary of Benefits tells you some features of our plan. It doesn't list every service we cover or list every limitation or exclusion. To get a complete list of our benefits, please call Community Health Partnership and ask for the "Evidence of Coverage/Member Handbook."

YOU HAVE CHOICES IN YOUR HEALTH CARE

Medicare beneficiaries and people who have Medicaid can choose from different health care options. For example, if you have Medicare, one option is the Original (fee-for-service) Medicare Plan and if you have Wisconsin Medicaid, one option is the Wisconsin (fee-for-service) Medicaid Plan.

Another option is a Medicare health plan, like Community Health Partnership. You may have other options too. You make the choice. No matter what you decide, if you have Medicare, you are still in the Medicare Program and if you have Wisconsin Medicaid, you are still in the Wisconsin Medicaid Program.

Partnership is a voluntary program and you may join or leave a plan at any time. Please call Community Health Partnership at the telephone number listed at the beginning of this introduction, Medicare at 1-800-MEDICARE (1-800-633-4227), or Medicaid, at (800) 362-3002 for more information. Medicare TTY users should call (877) 486-2048 and Medicaid TTY users should call (888) 701-1251. You can call these numbers 24 hours a day, 7 days a week.

HOW CAN I COMPARE MY OPTIONS?

You can compare Community Health Partnership and the Original Medicare Plan using this Summary of Benefits. The charts in this booklet list some important health benefits. For each benefit, you can see what our plan covers and what the Original Medicare Plan covers.

Our members receive all of the benefits that the Original Medicare Plan offers, plus all of the benefits of Wisconsin Medicaid including long-term care and support services. We also offer more benefits, which may change from year to year.

2009 SUMMARY OF BENEFITS

Section 1 - Introduction

WHERE IS COMMUNITY HEALTH PARTNERSHIP AVAILABLE?

The service area for this plan includes: Pierce and St. Croix Counties in Wisconsin. You must live in one of these areas to join the plan.

WHO IS ELIGIBLE TO JOIN COMMUNITY HEALTH PARTNERSHIP?

You can join Community Health Partnership if you are an adult with a Physical or Developmental Disability or are over the age of 65, live in the service area, financially eligible for Wisconsin Medicaid, functionally eligible as determined by the State of Wisconsin Long-Term Care Functional Screen and if you are eligible for Medicare you must be enrolled in Medicare Part A, Part B, and Part D. Please call Community Health Partnership to see if you are eligible to join.

CAN I CHOOSE MY DOCTORS?

Community Health Partnership has formed a network of doctors, specialists, and hospitals. You can only use doctors who are part of our network. The health providers in our network can change at any time. You can ask for a current Provider Directory or for an up-to-date list or visit us at www.communityhealthpartnership.com. Our customer service number is listed at the beginning of this introduction.

WHAT HAPPENS IF I GO TO A DOCTOR WHO'S NOT IN YOUR NETWORK?

If you choose to go to a doctor outside of our network without first contacting your Team and getting prior authorization, you must pay for these services yourself. Neither Community Health Partnership, the Original Medicare Plan, nor Wisconsin Medicaid will pay for these services.

DOES MY PLAN COVER MEDICARE PART B, MEDICARE PART D, OR WISCONSIN MEDICAID DRUGS?

Community Health Partnership covers Wisconsin Medicaid prescription drugs, Medicare Part B prescription drugs and Medicare Part D prescription drugs.

WHERE CAN I GET MY PRESCRIPTIONS IF I JOIN THIS PLAN?

Community Health Partnership has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases.

The pharmacies in our network can change at any time. If a pharmacy should leave our network, we will notify the members using that pharmacy and assist the members with changing to another network pharmacy. You can ask for a current Pharmacy Directory or visit us at www.communityhealthpartnership.com. Our customer service number is listed at the beginning of this introduction.

2009 SUMMARY OF BENEFITS

Section 1 - Introduction

WHAT IS A PRESCRIPTION DRUG FORMULARY?

Community Health Partnership uses a formulary. A formulary is a list of drugs covered by our plan to meet our members' needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected members before the change is made. We will send a formulary to you and you can see our complete formulary on our website at www.communityhealthpartnership.com.

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

HOW CAN I GET EXTRA HELP WITH PRESCRIPTION DRUG PLAN COSTS?

If you qualify for extra help with your Medicare prescription drug plan costs, your premium and costs at the pharmacy will be lower. When you join Community Health Partnership, Medicare will tell us how much extra help you are getting. Then we will let you know the amount you will pay. If you are not getting this extra help you can see if you qualify by calling 1-800-MEDICARE (1-800-633-4227), TTY users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

WHAT ARE MY PROTECTIONS IN THIS PLAN?

Community Health Partnership is a Wisconsin Medicaid plan and a Medicare Advantage Plan. All Medicare Advantage Plans agree to stay in the program for a full year at a time. Each year, the plans decide whether to continue for another year. Even if a Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Wisconsin Medicaid and Medicare coverage in your area.

As a member of Community Health Partnership, you have the right to request a prescription drug coverage determination, which may include the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a prescription drug that you believe should be covered.

An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request.

2009 SUMMARY OF BENEFITS

Section 1 - Introduction

If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision.

Finally, you have the right to file a grievance if you have any type of problem with us or one of our network pharmacies that does not involve coverage for a prescription drug.

WHAT IS A MEDICATION THERAPY MANAGEMENT (MTM) PROGRAM?

A Medication Therapy Management (MTM) Program is a free service we may offer. You may be invited to participate in a program designed for your specific health and pharmacy needs. You may decide not to participate but it is recommended that you take full advantage of this covered service if you are selected. Contact Community Health Partnership for more details.

WHAT TYPES OF DRUGS MAY BE COVERED UNDER MEDICARE PART B?

Some outpatient prescription drugs may be covered under Medicare Part B. These may include, but are not limited to, the following types of drugs:

- **Some Antigens:** If they are prepared by a doctor and administered by a properly instructed person (who could be the patient) under doctor supervision.
- **Osteoporosis Drugs:** Injectable drugs for osteoporosis for certain women with Medicare.
- **Erythropoietin (Epoetin alpha or Epogen®):** By injection if you have end-stage renal disease (permanent kidney failure requiring either dialysis or transplantation) and need this drug to treat anemia.
- **Hemophilia Clotting Factors:** Self-administered clotting factors if you have hemophilia.
- **Injectable Drugs:** Most injectable drugs administered incident to a physician's service.
- **Immunosuppressive Drugs:** Immunosuppressive drug therapy for transplant patients if the transplant was paid for by Medicare, or paid by a private insurance that paid as a primary payer to your Medicare Part A coverage, in a Medicare-certified facility.
- **Some Oral Cancer Drugs:** If the same drug is available in injectable form.
- **Oral Anti-Nausea Drugs:** If you are part of an anti-cancer chemotherapeutic regimen. Inhalation and infusion drugs provided through DME.

Contact Community Health Partnership for more details.

SPECIAL FEATURES

Community Health Partnership is a different kind of health plan. It gives you health care services in a personal way. We can work with you and your family to give the kind of care you need and want. We want you to stay independent and will encourage you to do as much for yourself as possible. We will help you to make informed health choices.

- Your health care is planned with you and your family or significant others by a special group of people working with you. We call them the Partnership Team. Your Partnership Team includes YOU and:
 - Your significant others;
 - Your primary care physician;
 - Your nurse practitioner;
 - Your registered nurse;
 - Your social services coordinator;
 - Your team assistant; and
 - Your other caregivers.

- Your Team is responsible for your assessment, care planning, service authorization and delivery, coordination, monitoring, and health education and prevention.

- Your Team members and network providers have the expertise to meet your needs.

- Your Team conducts an assessment in your home. This assessment identifies your needs, strengths and resources.

- Your Team will work with you to develop an individualized service plan (ISP) that clearly identifies your preferences, goals, specified treatments and strategies.

- Your Team coordinates your care by overseeing services delivered by other providers or by providing services to you directly.

- Your Team will meet with you regularly to review your care plan.

- Customer service is available 24 hours a day, seven days a week.
